Dear Andy,

Just wanted to personally thank you for helping us through our acquisition. Although we hired you to consult Advantage Transport it was nice to learn that you had expertise and knowledge of companies in need of what we had to offer.

As we started to meet some of your clients the thought of selling our business took on a life of its own. Thank you for facilitating the whole process.

Andy, be more than happy to recommend Ahern & Associates to any transportation company that is considering utilizing your services.

Best Regards,
