

Trucking Consultants, Ahern and Associates Aids Bennett Motor Express, LLC, a Division of Bennett International, in Acquisition of Best Ways Brokerage

Ahern and Associates acts within a management consulting capacity to assist Bennett Motor Express in acquisition of Best Ways.

Phoenix, AZ ([PRWEB](#)) November 07, 2011 -- The [transportation consulting firm](#) of Ahern and Associates, Ltd., well known for their reputation as being the nation's leading trucking and logistics acquisition firm has recently aided Bennett Motor Express, LLC in their recent acquisition of Spanaway, WA based, Best Ways Brokerage, Inc. This marks the second time overall in which Ahern and Associates has been engaged by the Bennett International Group.

McDonough, GA based Bennett Motor Express is a recognized leader in the trucking and transportation industry as well as being a premier provider of specialized freight, heavy haul transport, flatbed logistics and supply chain solutions to government contractors and commercial businesses.

This most recent acquisition fits well within Bennett's overall strategic plans and the company looks forward to the additional geographic reach Best Ways provides. "Bennett is excited about the opportunity to partner with Best Ways, it extends Bennett's footprint into the Northwest and provides us with an additional presence and support with great people who have over 30 years of experience in the transportation industry. This will allow Best Ways and their already diverse customer base to join an asset based company who has a nationwide network of terminals and support." explained David Lowry, President of Bennett Motor Express.

Andy Ahern, CEO of Ahern and Associates, LLC also commented on the recent closing: "We're very pleased to have assisted Bennett in the acquisition of Best Ways and look forward to future engagements which will help further their strategic goals." With over twenty five years of acquisition experience within the transportation industry, Ahern & Associates often draws upon their expansive list of industry contacts which allows them to often times create markets where none may have existed previously.
