

Trucking and Logistics Consultants, Ahern and Associates Engaged in Multi-State Refrigerated Carrier Acquisition

Ahern and Associates to assist family owned and operated tank operation in seeking acquisition targets in Arizona, Nevada, Washington, Utah, Oregon and Texas.

Phoenix, AZ ([PRWEB](#)) December 19, 2011 -- Capping off their most successful year ever, the skilled consultants at [Ahern and Associates](#), Ltd. have again been asked to do what they do best: find multiple acquisition targets which fit their clients' needs and objectives.

Led by their CEO, Andy Ahern, Ahern and Associates has been at the crux of some of the largest and complex acquisition deals of 2011. The staff, which consists of ex-Presidents and Chairmen of prominent transportation companies have worked with a broad range of clients; from the small to mid-sized carriers to publicly traded national firms.

Ahern's current client is a family owned tank operation seeking expansion opportunities throughout the western States. In operation since 1977, the company specializes in the hauling of wine, petro chemicals and grain in hopper trucks. Recently, the company started a refrigerated division hauling primarily ice cream and juices.

The company is looking to acquire a small refrigerated carrier consisting of company trucks or independent contractors who are located in either Arizona, Nevada, Washington, Utah, Oregon or Texas. In addition, the company is looking to acquire a tank operation that hauls agricultural, petro chemical, food and/or hazardous materials.

"Ahern and Associates has had a fantastic year and we're very pleased to participate in this latest acquisition deal spanning several western States," explained Ahern.
