Ahern and Associates Engaged to Facilitate Specialized Carrier Acquisition Search for EZE Trucking

EZE Trucking taps trucking consulting firm to provide acquisition targets which fit expansion criteria.

Phoenix, AZ, January 9, 2012 — For the second time in less than one year, Ahern and Associates, Ltd., the nation's leading trucking acquisition firm, has been hired to provide viable acquisition targets for the rapidly expanding, EZE Trucking. EZE Trucking is a specialized transportation and logistics business operating in the Western half of the United States. The Company operates out of terminals located in California, Texas, Arizona, and Wyoming and provides its service through its own assets, owner operators and an in-house logistics division capable of brokering freight nationally.

This most recent assignment comes on the heels of last year's successful acquisition of Bakersfield, CA based Patterson Motor Freight. EZE Trucking is looking to further expand its business and partner with entrepreneurs who wish to build a dominant, specialized trucking company.

The consultants at Ahern and Associates are currently seeking specialized carriers or freight brokers who match EZE's strategic growth criteria. EZE seeks to partner with businesses generating at least \$5MM or more of total revenue for 2011 and in the following industries:

- Oil and gas
- Infrastructure
- Utilities
- Aerospace
- Jet engine transportation
- Department of Defense

"We're very pleased to be assisting EZE Trucking in their second acquisition search with our firm and look forward to exceeding expectations," commented Andy Ahern, CEO of Ahern and Associates.

About Ahern & Associates, Ltd.:

Ahern and Associates is North America's leading trucking and transportation management consulting firm. The skilled consultants at Ahern and Associates specialize in mergers and acquisitions of trucking and logistics companies as well as the restructuring and evaluation of existing carriers that seek to increase operating efficiency and improve profitability.
